

Friendly, small town environment, convenient to hiking trails in the Lincoln National Forest.

Visit for the summer, stay year-round

Enchanted Timberon

Visit for a weekend, stay for the summer

Fall foliage enhances the beauty of the drive to Timberon.

Fish or play golf. Enjoy cool nights, moderate days, glorious sunrises and sunsets. Feed many varieties of hummingbirds and other birds. Watch for deer, elk, and other wildlife. Share family fun at the 4th of July festivities.

Experience the four seasons.

Directions: From Cloudcroft, take NM-130 south for two miles. Turn right on scenic by-way NM-6563, the Sunspot Highway. Stay straight at the Sunspot turnoff for another 15 miles.

Join the fun!

Wish upon a star

On the way to Timberon, visit Sunspot, the National Solar Observatory. After dark, look up! The night skies are dazzling.
